GREAT DEER CHASE MOUNTAIN BIKE RACE

The Great Deer Chase is looking for supporters for the 2018 season!

Event Date: **August 18, 2019**

Held annually the third Saturday in August, the Great Deer Chase is Swedetown Recreation Area's premier mountain bike race. It is the main source of income to fund the development and maintenance of Swedetown's 30+ miles of public hiking and biking trails. With the Swedetown Recreation Area being less than a mile from downtown Calumet, it truly is one of Calumet's great resources, enjoyed by visitors and locals all year long.

Please consider the long term benefit to having such a great trail system which benefits the local economy and enhances our quality of life. Please support the Great Deer Chase and Swedetown Trails.

The Swedetown Trails Club prints 1,000 handout trail maps every year as well as large kiosk maps at the Swedetown Chalet and at the M-203 trailheads. Supporters will receive ad space on these as well as on event t-shirts, the event website. See the benefit packages for the various support levels.

Yes, I want to support the summer trails at Swedetown!

Sign up by June 1, 2018 to ensure inclusion in all our 2018 print media. Send this form or email gpc49913@charter.net with your commitment.
