

Great Deer Chase - Calumet Township Map

- Please park your vehicle near the Colosseum, in the school parking lot behind (North of) the Colosseum, or in one of the two snow dump areas indicated on the map. Do NOT park in the Chalet parking area as we need that for race staff.
- Colosseum locker rooms will be open from 11:30 am - 3:00 pm. They are located in the basement. Just follow the signs after entering the front doors. Please clean up after yourselves at the Colosseum which will ensure our having this available for future races.
- Youth racers start in the chalet parking lot and the 14 & 29 start at the end of the driveway. You may change in the lower level of the Chalet which opens at 8:00 am. You may use the showers at the Colosseum afterwards.
- Youth and adult awards will be at the intersection of 5th and Oak at 3:00 pm (see map below).
- View points may be accessed from Swedetown location. Walk past the road closed sign, where you see blue flags and arrows will indicate the course. All racers will pass this point at mile 4.3 and then again 1.7 miles later a little further to the west. Short Racers will pass again still further down the road at mile 12.5. All pass through the chalet parking lot with >2 miles to go.
